## Sunburst Companies

### **An Introduction**

For more than 44 years, Sunburst Companies has manufactured and produced Made in U.S.A. merchandise. We are located in Providence, Rhode Island, and our company is a family-owned and operated business. We are a Cadmium- and Lead-free manufacturer and a Working Green company, all of which supports our devotion to reducing our affect on the environment, and ultimately, our carbon footprint.

### **Customization**

From the very start of design conception through the finished and packaged piece, we are a full-circle manufacturer hard at work to serve our customers. We work with a variety of metals, including copper, nickel, brass and Sterling Silver, and specialize in natural metals. Creating custom items featuring logos, images and name drops has become an important and personal strength for our business, highlighting our dedication to our individual clients.

### **Hands-On Approach**

We run a three acre complex and house hundreds of tools, dies, molds and machinery. We have access to all areas of operations, including our own finishing and woodworking departments. With these resources at our fingertips, we are able to control and support the actual design and creation of beautiful counter and floor displays, made to enhance the sale of our merchandise. Customers can enjoy display programs set up directly from the factory with each number UPC bar-coded with choice of retail. We pride ourselves on being a turnkey operation for customers.

### **NEW!**

Later this month, we are launching the first phase of our wholesale E-commerce website, [www.sunburstcompanies.com](http://www.sunburstcompanies.com). You are invited to sign up and browse through our thousands of carefully categorized products.

### **Our Merchandise**

Pictured here are just some of the creature themed products we offer across many of our product lines. Nature Pals and Mini-Elegance bats as earrings, pendants and key rings, Sterling Silver charms with name of site and/or flagged with location name, as well as hair goods, accessories, rings and more!
